Payment: Orders must be paid in full to reserve the equipment and labor. Checks will not be accepted within 14 days of the display install date. A valid credit card (with an expiration date that exceeds the end of the event breakdown date) is required as a security deposit for all rental equipment.

Equipment Rental: The rental is for one event, not to exceed a total of seven days. Equipment descriptions, display design and sizes are approximate.

Set Up and Break Down: Rental includes set up and break down labor. Displays are set up on a first come first serve basis and subject to Vegas Display production schedules and loading dock schedules and work load.

Delivery: When possible, Vegas Display will deliver the rental equipment directly to the exhibit hall, hotel or event location loading dock. Based on production schedules, size of the event, amount of equipment rented, loading dock schedule, show rules and other variables, equipment may be sent to the General Service Contractor's (GSC) Advanced Warehouse. Equipment delivered to the show Marshalling Yard includes one hour of wait and unload time. Additional waiting fee to unload is billed by Vegas Display at \$75 per hour and the responsibility of the exhibitor.

Material Handling: Material Handling/Drayage is the fee charged by the GSC/Teamsters Union to deliver and move out your exhibit material to and from your booth. Rates vary by trade show and usually based on weight. The exhibitor is required to have a credit card on file with the event's GSC for material handling fees. Failure to do so may result in the rental display not being delivered to your booth, and thus, not being set up on time. Exhibitors MUST have a credit card on file with the general service contractor for material handling fees.

Exhibitor Responsibilities: The Exhibitor acknowledges that all information on the Rental Order is accurate, including: exhibit hall, booth number, set up and break down dates and times. Any changes must be made in writing at least 24 hours prior to the set up time. Exhibitors are responsible for the advance order of items such as carpet, electrical service or any other show service required prior to Vegas Display setting up the rental equipment. These items must be ordered at least 10 days prior to the set up date. A \$95 per man hour waiting fee will be added to the rental order if Vegas Display labor is delayed. If the event ends early, Vegas Display must be notified immediately. The Exhibitor is responsible for all shipping arrangements for their property.

Display Design Changes: Display designs adhere to strict structural integrity and may not be altered by the client. The exhibitor must NOT change, adjust or move the display after installation, as equipment could collapse and cause damage to property, products or personal injury. Any on-site display design change requests by the client may result in additional equipment and labor fees. Vegas Display may need to revise the display design to fit the booth space. Any display design changes after the order is placed is solely at the discretion of Vegas Display.

Additional Labor Fees: The rental price includes labor for one set up and one break down service call. Any additional service or labor will be billed at a rate of \$95. ST/\$150. OT per man hour, with a two-hour minimum. If Vegas Display must return to the event facility, a \$75 transportation fee and parking will also apply.

On-Site Orders: Equipment additions ordered within 12 business hours of the show set up day or on-site will be billed at 2X the published rate plus a \$75. delivery fee if a return trip to the warehouse is required.

Insurance: The Exhibitor is required to carry liability insurance for their employees and property and must cover property and personal injury to neighboring exhibitors and the venue while the exhibit is in the possession of the client. Vegas Display is not responsible for Exhibitor property before, during or after the event.

Lost or Damaged: The Exhibitor is responsible for equipment from delivery until break down and responsible for any lost, stolen or damaged equipment. The exhibitor is responsible for any damage to equipment caused by attaching signs or products using tape, glue, screws, nails, pins or other hardware or adhesives. Cleaning fees is \$95 per hour with a one-hour minimum. If equipment cannot be cleaned or repaired client is responsible for the replacement cost.

On-Site Resolutions: To complete or fulfill an order, Vegas Display reserves the right to substitute for a similar item. The Exhibitor authorizes Vegas Display to resolve all on-site issues regarding the completion and set-up and breakdown of the rental equipment, including carpet, electrical service, material handling, etc. which the Exhibitor failed to order in advance. If the Exhibitor does not have a credit card on file with the General Service Contractor, Vegas Display, at their discretion, may initiate and pay for the required services. The full amount, plus an additional \$250. inconvenience fee, is the responsibility of the Exhibitor and may be billed to the Exhibitor's credit card on file.

Cancellations: Rental equipment cancelled up to 14 days prior to scheduled set-up date will receive a 50% refund. No refunds or credit for cancellations within 14 days of install date, or thereafter. If an exhibitor requests equipment to be removed after it has been delivered, a \$75. removal fee plus and material handling fees applies.
