---

**Payment:** Orders must be paid in full to reserve the equipment and labor. Checks will not be accepted within 14 days of the set up date. A valid credit card (with an expiration date that exceeds the end of the event breakdown date) is required as a security deposit for all rental equipment. The rental is for one event, not to exceed a total of seven days. Published equipment sizes and descriptions are approximate.

**Set Up and Break Down:** Rental includes set up and break down labor. Displays are set up on a first come first serve basis and subject to Vegas Display production schedules.

**Delivery:** Vegas Display will deliver the rental equipment to the exhibit hall, hotel or event location loading dock or the event's advanced warehouse based on production schedules, size of the event, amount of equipment rented, loading dock size, show rules and other variables. A delivery wait fee will apply to the credit card on file if unloading takes longer than one hour. Fees for these services are billed at \$95 Straight Time /\$142.50 Overtime with a one hour minimum.

**Material Handling:** Material Handling is the fee charged by the General Service Contractor (GSC) to deliver your exhibit material to your booth, storage of empty containers during the show and returning the empties to your booth after the show, and finally to the loading dock for pick up. Rates vary by trade show and are based on weight. The exhibitor is required to have a credit card on file with the event's GSC for material handling fees. Failure to do so may result in the rental display not being delivered to your booth, and thus, not being set up on time.

**Exhibitor Responsibilities:** The Exhibitor acknowledges that all information on the Rental Order is accurate, including: exhibit hall, booth number, set up and break down dates and times. Any changes must be made in writing at least 48 hours prior to the set up time. Exhibitors are responsible for the advance order of items such as carpet, electrical service or any other show service required prior to Vegas Display setting up the rental equipment. These items must be ordered at least 10 days prior to the set up date. A \$95 Straight Time /\$142.50 Overtime per man hour waiting fee will be added to the rental order if Vegas Display labor is delayed. If the event ends early, Vegas Display must be notified immediately. The Exhibitor is responsible for all shipping arrangements for their property.

**Display Design Changes:** Display designs adhere to strict structural criteria. Display walls cannot be altered from the original agreed design unless approved by Vegas Display. Any on-site design changes are solely at the discretion of Vegas Display. Any on-site display design changes will be charged additional labor fees, regardless of whether the display has or has not yet been set up. The exhibitor must NOT alter or move the display after installation, as the display equipment could collapse and cause damage to property, products or personal injury.

**Additional Labor Fees:** The rental price includes labor for one set up and one break down service call. Any additional service or labor will be billed at a rate of \$95 Straight Time /\$142.50 per man hour, with a two-hour minimum. If Vegas Display must return to the event facility, a \$75 transportation fee will also apply.

**On-Site Orders:** Equipment ordered within 24 business hours of the show set up day or on-site will be billed at 2X the published rate plus a \$75. delivery fee if a return trip to the warehouse is required.

**Insurance:** The Exhibitor is required to carry liability insurance and is responsible for any damage to the display equipment, products or people while it is in the possession of the exhibitor.

**Lost, Stolen Damaged Equipment:** The Exhibitor is responsible for Vegas Display equipment from set up until break down and is responsible for any lost, stolen or damaged equipment. The exhibitor is responsible for any damage to equipment caused by attaching signs or products using tape, glue, screws, nails, pins or other hardware or adhesives. Most tape and adhesives cannot be entirely removed and will damage the display walls. Cleaning fees are billed at \$95 per hour with a one-hour minimum. Equipment that cannot be cleaned or repaired will be billed the replacement cost.

**On-Site Resolutions:** To complete or fulfill an order, Vegas Display reserves the right to substitute for a similar item. The Exhibitor authorizes Vegas Display to resolve all on-site issues regarding the completion and set-up and breakdown of the rental equipment, including carpet, electrical service, material handling, etc. which the Exhibitor failed to order in advance. If the Exhibitor does not have a credit card on file with the General Service Contractor, Vegas Display, at their discretion, may initiate and pay for the required services. The full amount, plus an additional \$250. inconvenience fee, is the responsibility of the Exhibitor and will be billed to the Exhibitor's credit card on file.

**Exhibitor Property:** Vegas Display is not responsible for Exhibitor property before, during or after the event.

**Cancellations:** Rental equipment cancelled up to 14 days prior to scheduled set-up date will receive a 50% refund. No refunds or credit for cancellations within 14 days of the set up date or thereafter. If equipment needs to be removed from the booth after it has been delivered and a \$75. removal fee applies plus any other additional labor or wait fees billed at prevailing labor rates as stated above.
